DEAR COLLEAGUE

It is our pleasure to invite you to attend the **WPMA Annual Scientific Conference**.

Our three-day newly refreshed and re-energized conference will cover the entire spectrum of foot and ankle care in sessions aimed at enhancing your skills in reconstruction, trauma, diabetic foot conditions, new trends in foot and ankle surgery, and much more.

The conference will also include a comprehensive lecture series on surgical and office-based billing and compliance and you will complete the 2 hours of continuing education on opioid prescribing now required in Wisconsin and other states for license renewal. PICA policyholders who attend the risk management lecture on Saturday will receive a 10% risk management premium discount.

Wisconsin Podiatric Medical Association's annual business meeting will be held on Thursday from 6:00-7:00 PM where members will receive an update on the association's activities. On Friday evening you are invited to attend a reception and enjoy cocktails and appetizers while reconnecting with your colleagues and networking with industry members.

Don't forget to stop by the exhibit booths to explore and learn about new innovations, products, and services that you do not want to miss from top industry members. For every booth that you visit, you will receive a ticket to enter your name into drawings for a variety of excellent prizes. We are grateful for the support our industry partners provide us and the vital role that they play in our community.

We hope that you will find the conference to be an exceptional event that delivers the high-quality education you expect from your association.

All our best,

Jonathan Thompson, DPM, FACFAS
SCIENTIFIC COMMITTEE CHAIRMAN

Marit Sivertson, JD
EXECUTIVE DIRECTOR

SCIENTIFIC COMMITTEE

We gratefully recognize the volunteer members of our scientific committee for their contributions in planning the WPMA Annual Scientific Conference:

Jonathan Thompson, DPM
CHAIRMAN

Jason Boudreau, DPM

Randall Dei, DPM

Jason DeVries, DPM

Brian Fischer, DPM

Marit Sivertson, JD
EXECUTIVE DIRECTOR

CONTINUING EDUCATION

The Wisconsin Podiatric Medical Association is approved by the Council on Podiatric Medical Education as a provider of continuing education in podiatric medicine. The Wisconsin Podiatric Medical Association has approved this activity for a maximum of 25 continuing education contact hours.

INTENDED AUDIENCE

The intended audience for the conference is podiatric physicians.

CANCELLATION POLICY

A \$50.00 administrative fee will be charged to any cancellation. Cancellations must be made in writing to info@wisconsinpodiatrists.com by July 1, 2022. No refunds for cancellations will be honored after this date. Refunds are not granted to no-shows.

COMMERCIAL FINANCIAL SUPPORT

No commercial interest provided financial support for this continuing education activity.

ATTENDANCE VERIFICATION

In accordance with Council on Podiatric Medical Education requirements, WPMA is required to monitor educational session attendance to verify CECH earned by each attendee.

Badges are bar-coded with each attendee's personal information. Please refer to the handout with the required scanning times each day of the conference to earn CECH.

CECH certificates will be emailed to attendees by September 1, 2022.

SCHEDULE AT-A-GLANCE

Thursday, August 11, 2022: 7:00 AM - 6:00 PM (9 CECH)

Friday, August 12, 2022: 7:00 AM - 6:00 PM (9 CECH)

Saturday, August 13, 2022: 7:00 AM - 3:00 PM (7 CECH)

25 CECH Total

LEARNING OBJECTIVES

Upon the conclusion of the WPMA Annual Scientific Conference, podiatric physicians will be able to:

- Describe and better implement emerging medical and surgical trends in forefoot surgery.
- Identify complex pathoanatomy of the foot and ankle and effectively apply evidence-based treatments to surgical practice.
- Understand principles that contribute to effectively diagnosing and managing the sports medicine patient.
- Demonstrate a deeper understanding of complex pathology in the diabetic patient population.
- Display an appropriate understanding of podiatric practice management including coding and compliance practices and risk management strategies to enhance patient care.
- Be knowledgeably informed about controlled substance prescribing guidelines, recognize signs of abuse and misuse of controlled substances, and understand the process for the Wisconsin PDMP and legal implications of its use.
